Questions to think about

1. **Excited Viewer:** You get to dive back into bonnets and ballrooms, watching a character who finally gets the spotlight.
2. **Literary Purist:** Some Jane Austen fans feel that modern spin-offs can stray too far from the author's intentions and simpler times.
3. **History Buff:** The show's decision not to focus on Christmas is accurate; in Austen's era, the holiday was a quieter religious day, not the big celebration we know today.
